RESILIAGE

Revolutionising community resilience

BUILDING SUSTAINABLE RESILIENT COMMUNITIES WITH LOCAL HERITAGE DRIVERS

Funded by the Horizon Europe programme, RESILIAGE will enable a step-change in **Disaster Risk Management** through **bottom-up processes** that involve citizens, first responders and local decision-makers in the co-creation of **digital tools, soft solutions** and **preparedness plans**.

HOW?

- **Map crisis preparedness in 5 Community Resilience locations.**
- **Identify human factors critical in crisis response.**
- **Investigate interrelation of societal and cultural factors.**
- **Co-shape, co-develop and test digital and non-digital tools.**
